

ADULT POULTRY RULES

- Birds must be clean and healthy. **Prior to coop-in at the Small Animal Barn, exhibitors will report to a Poultry Health Inspection area where birds will be examined by a licensed inspector. Healthy birds will receive paperwork that will admit them to the Small Animal Barn.** Call 786-9511 for information and location of the inspection site.
- **Exhibitors to provide water cups, feeders and directions for feeding. Water cups and feeders to accommodate bird for 24 hours.** No moldy feed accepted. Fair employees will feed adult entries only.
- Contact fair office or livestock superintendent prior to entry day if double cages are needed. Specify breed & variety of bird as well as sex and color on entry.
- Poultry may be offered for sale after judging. Fair will retain a 20% commission on all sales. State Health Department regulations apply.
