

YOUTH LIVESTOCK LEAD CONTEST

7 PM FRIDAY, AUGUST 25, COVERED ARENA SHOW RING. No Entry Fee.

Prizes by **HUMBOLDT COUNTY CATTLEWOMEN,
EEL RIVER ORGANIC BEEF, HUMBOLDT COUNTY AG TEACHERS**

In 2012 a new class at Humboldt County Fair was developed that was only open to beef exhibitors. In 2013 two new classes were created for exhibitors to participate in called "Livestock Lead." This fun class is basically a dress-up contest for the beef, sheep, swine and market goat exhibitors and their animals. Contestants should prepare a costume that incorporates the animal and the exhibitor while promoting the industry in some way. Each exhibitor will show an animal while its personal description is being read by the commentator, kind of like a beauty contest! Contestants will be judged on their poise, presentation, use of industry knowledge, creativity and overall appearance. The contest is open to all 4-H and FFA members who are exhibiting beef, sheep, market goat or swine at the Humboldt County Fair. There are great prizes for the awards, too! If you have any questions, please call Emily Dale at 725-2846. We hope to see lots of fun and creative ideas this year!
